## SERVICE. ENGINEERING. PARTS.

### SERVICE AND INSPECTIONS

A market leader in service and inspections, we offer regular inspections and preventative maintenance. We started as an overhead crane and hoist service company and our focus today is still to provide the best level of service in the industry.

### EXTENSIVE ONLINE STORE

Conveniently buy overhead crane kits, hoists, and parts online at [store.hoosiercrane.com](http://store.hoosiercrane.com). We also keep a selection of crane kits in stock. This means that we can get them to you faster. We can ship the crane kit to build yourself or manufacture and install it for you.

### EVERY PART YOU NEED

Our parts department is built to get you the exact part that you need to get the job done. We are master parts distributors for CM, Yale, and ShawBox and can get parts for nearly any crane or hoist.

### ENGINEERED TO ORDER

Need a specific design for your project? Hoosier Crane takes the time to gain an understanding of your project and what you need to make it a success. We don't just take orders. We are a complete solution provider.

### TESTIMONIALS

"Upon arrival they hit the ground running, showed dedication and professionalism from beginning to the end. I congratulate you on assembling the fine team that you have."

"We appreciate how easy it is to do business with your company. You catch things that other vendors might not. You are very quick with your acknowledgments."

"THANK YOU to the entire staff at Hoosier Crane for your efforts, kindness, and professionalism, we are not sure what we would do without you all!"

"The job was completed ahead of schedule and to our satisfaction. After the cranes were installed, Hoosier Crane is still there by my side ensuring that our special requests are being met."

"They handle our new installations, emergency service, annual inspections, and parts. In this, they do not sacrifice breadth for depth. Each team members has many years of experience."
